Projects

Personal Portfolio Website

GitHub

- Designed and developed a fully responsive portfolio website using HTML, CSS and JavaScript.
- Showcased personal projects, technical skills and contact information.
- Optimized for desktop and mobile devices.

Spotify Clone

GitHub

- Built a responsive Spotify Clone using HTML and CSS, closely replicating Spotify’s UI.
- Designed Spotify-like music cards, playlists and sidebar navigation.
- Added scrollable sections and hover effects for a better user experience.

Leadership & Experience

Technical Head – Enactus Shivaji

- Led the technical team in planning and executing the society’s technical initiatives and digital operations.
- Designed, maintained, and regularly updated the official Enactus Shivaji website, ensuring a smooth user experience and up-to-date content.

Tech Executive — TEDx Shivaji College

- Designed Instagram posts, brochures, flex banners, event tickets, Memorandum of Understanding (MoU), and branding materials.

- Created the official TEDx Shivaji College logo and maintained consistent visual identity across event assets.
- Collaborated with the organizing team to deliver creative designs within deadlines.

Tech Executive — Anchorage: The Cultural Committee of Shivaji College

- Designed flex banners and Instagram posts for college cultural events and campaigns.
- Collaborated with the committee to create engaging promotional content and event branding.

Certifications

- Responsive Web Design
- HTML & CSS Fundamentals
- JavaScript Essentials
